

# An Invitation to Spacious Living!

This stunning home has everything to offer. Generously sized at over 3,500 square feet and a fantastic floor plan that lends beautifully to entertaining as well as comfortable family living. Five bedrooms and four baths, two full kitchens, a beautiful wet bar, handsome new fireplace and stunning views set this home apart. The masterfully laid out chef's kitchen has top of the line cabinets, an ocean view and more storage than you can imagine.
